

## Pre-Conference Friday Intensive for **Children's Workers**

**1:00 – 4:00p.m. Friday, Nov. 11, 2011**

Calvary Chapel, 511 W. Hastings, Spokane- Across from Mead High School

### Who should attend?

**Sunday School Teachers      Home School Teachers      Children's Pastors  
Church Children's Ministry Staff      & anyone who enjoys discipling children!**

### Why attend?

1. This is an opportunity to **meet other children's workers** in the city and region. We are building network of children's workers to enable us to share resources, encourage each other, and to set up this year's quarterly meetings at which we address topics we identify as relevant to our discipling of God's precious ones. We will spend time meeting each other and expanding our resource sharing data base. We will continue to identify topics we would like to learn more about at future gatherings.
2. We will share a dozen (at least) ideas of **Kids Memory Making Mission Events**, including many that are multi-generational. Karen Hardin has developed children's missions curriculum like *Kids Around the World*, *Outside the Lines*, *Red Card*, as well as children's prayer tools. In addition to writing, Karen teaches mission workshops, serves as a consultant for churches and mission agencies, and leads children's events. She has traveled internationally to train children's leaders. She will be joined by Nancy Fritz who has taught Children's Missions for over 20 years. She and Karen will give you very practical and detailed ideas.
3. Lastly, **we will share resources with each other**. We will give a brief overview of the resources that are 'out there' and then you can share your own ideas as well as hearing from our speakers. We want you all to leave blessed and encouraged with a vision for sharing God's heart for the nations with the children we minister to.

**What to bring:** Your **laptop** if you have one. A **flash drive** to collect and share curriculum. Children's **mission resources** you'd like to share. **A friend**- Usually when there is one person excited about children's ministry, there are often more!

**Please RSVP by 11/9** to **nancyfritz@aol.com** or call **509-990-8465** so we can have enough seating and refreshments for the afternoon. (Don't stay away because you haven't though!)
